

WELCOME!

The Nebraska Foster & Adoptive Parent Association (NFAPA) invites you to participate in the Gretna One Day Conference "More Than a Thread of Hope" scheduled for August 4, 2012.

We would like to take this opportunity to thank you for the work that you do caring for Nebraska's children and families. By opening your heart and home, you play a vital role in helping children and families in crisis heal.

Foster parents will receive up to 6 hours of in-service training credit by attending this conference. We encourage all foster, adoptive & relative foster parents, case managers, educators, therapists, and others to join us.

There is limited seating available at this conference. Send in your registration as soon as possible. Contact NFAPA if you have any questions.
